## MEDIA RELEASE

September 29, 1986

### PERINATAL CONCERNS TOPIC OF UM LECTURE OCTOBER 16

MISSOULA --

Donald Espelin, director of the Montana Perinatal Program in Helena, will speak on "Perinatal Concerns in the Prevention of Developmental Disabilities" at 7:10 p.m. Oct. 16 in Room 344 of the University of Montana Social Sciences Building.

The lecture is the second in a series of Night School Lectures covering issues in developmental impairment, co-sponsored by the University of Montana Human Development Committee and the Montana University Affiliated Program (MUAP). The series will run every Thursday evening from Oct. 2 to Dec. 4 at the same time and location. The public is invited.

For information on the free lecture series, contact the UM Center for Continuing Education, 125 Main Hall, University of Montana, Missoula, MT 59812; 243-2900.
